

Basel, 11th January 2022

Dear artists

Nomad is a design & lifestyle hotel in the center of Basel. Built by Buchner & Bründler in 2015 and shortly after voted by GEO as the most beautiful city hotel in Europe, it seems to be a rather 08/15 - design house. Stylish and award-winning, but standard on paper. The reality is far from it. Because the difference to other hotels is made by the people on site - the team, their culture and their ideas.

One of them was already realized in May 2021 and is coming back this April: nine hotel rooms will be transformed into an exhibition of contemporary art for two weeks.

For this we are again looking for nine positions (singles or duo). If you would like to be part of the exhibition, please apply with your dossier, CV and project proposal. There are no specific requirements for the applying position, but we emphasize mixing younger with experienced positions.

Your application must include:

1. dossier with your work (max. 10 pages of documentation)
2. CV (max. 1 page)
3. letter of motivation with project proposal (max. 1 page)

Please create one PDF with all mentioned contents in this order. The PDF must not exceed the maximum size of 15MB.

Send it to [tgratwohl@nomad.ch](mailto:tgratwohl@nomad.ch) by 27.02.2022 at the latest.

Project proposal

No specific project proposal is necessary, you are welcome to show already existing works. Important: It is not possible to drill into the walls. Creative solutions are needed for possible suspensions.

Legal and other information

The exhibition is not professionally supervised. However, the exhibition opening hours are based on the opening hours of the hotel and the Eatery and therefore always has a manned reception as well as staff\* throughout the building. The artists\* are responsible for their own transportation to and from the exhibition.

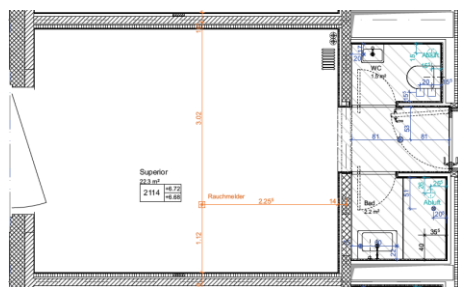

Participation in the exhibition will be remunerated with CHF 500.- per position. For the artists invited to the exhibition we will provide hotel rooms for the overnight stay, if necessary. Food&drinks will also be provided during the set-up and dismantling. If the pandemic allows it, a vernissage as well as a finissage with aperitif is planned. The whole project is tied to the current Corona measures.
